

Thank you for choosing Studio Reflection, formerly known as Beautiful Soles. We are delighted to have the opportunity to teach your child(ren) dance. We do not take the opportunity lightly, but instead with utmost care, knowing the worth and heart of each student the Lord entrusts to us. This summary outlines basic program information and expectations for the 2021/2022 dance season.

Although we offer elements of a traditional dance program, you will find something different in our approach. We are a Christian dance company focused on worshipping Jesus with the abilities & talents he created within our bodies. While teaching our students the art of dance they also learn that dance requires both hard work and discipline; the same characteristics necessary for a strong walk with Jesus. We have found that when a student approaches class with the correct attitude and willingness to work hard, she can learn very quickly and develop skill proficiently. It is our desire to love our dancers well, encourage them when they are frustrated, and push them gracefully to grow in their dance skill.

With that being said, I am honored you picked us to teach your daughter! I am so excited for this season & appreciate the opportunity to be a part of your dance experience. It's going to be a great season, so let's get started!!

STUDIO POLICIES | 2021-2022

DRESS CODE: Modest attire is a necessity for all dancers. Leotards, skirts, and tights are recommended, but not required, for ages 3-4 years. T-shirts and stretchy athletic wear (leggings, one piece unitards, etc.) are permitted for 5 year olds and older. Clothes that are more fitted and comfortable are preferable for easier movement and help the teachers see placement of the students' bodies as well as instill the principle of discipline. Due to restriction of movement, jeans, jean shorts, or basketball shorts are not permitted. Proper dance shoes must be worn to all classes. If a dancer forgets her shoes, she must go barefoot in that class. Shoes should never be worn outside. All hair is recommended to be secured away from the face. Thank you for following the dress code set out for our dancers.

INCLEMENT WEATHER: If Mena Public Schools are closed due to inclement weather, classes will also be cancelled. If there is a tornado watch/warning during class time, all classes thereafter will be cancelled for the day. Please use discretion during severe weather conditions. If you have any questions or concerns about weather, feel free to text or call.
